

World Glaucoma Congress, Honolulu, Hawaii - Thursday, June 26, 2025							
Location	Exhibit Hall	Ballroom	311	315	312	313A	
Time							
07:00			Sponsored Breakfast Symposium 07:00-08:00	Sponsored Breakfast Symposium 07:00-08:00			
07:15							
07:30							
07:45							
08:00	Exhibition Poster Film Festival Rapid Fire Catering 8.00-17.30	Plenary Symposium - Modifying disease risk - Role of lifestyle and Diet 08:00-09:30					
08:15							
08:30							
08:45							
09:00							
09:15							
09:30			COFFEE BREAK (09:30-10:00) Exhibition				
09:45							
10:00			Parallel Symposiums - Hot debates in Glaucoma Surgery 10:00-11:30	Parallel Symposiums- New developments in IOP assessment 10:00-11:30	Parallel Symposiums- Vision restoration in Glaucoma 10:00-11:30		
10:15							
10:30							
10:45							
11:00							
11:15							
11:30			15-MIN BREAK				
11:45			Sponsored Lunch Symposium 11:45-12:45				
12:00							
12:15							
12:30							
12:45							
13:00		15-MIN BREAK					
13:15		Parallel Symposiums- How to perform the perfect glaucoma surgery : Video Symposium 13:00 - 14:30	Parallel Symposiums- Glaucoma Progression 13:00 - 14:30	Parallel Symposiums : AAB 13:00 - 14:30	Parallel Symposiums- Targeting the trabecular meshwork and distal outflow pathways 13:00 - 14:30		
13:30							
13:45							
14:00							
14:15							
14:30		COFFEE BREAK (14:30-15:00) Exhibition					
14:45							
15:00		Course-all you need to know about OCT for glaucoma 15:00 - 16:00	Course - mastering tube implant surgery 15:00 - 16:00	Course-Handling Pressure: Novel Pathways and Targets 15:00 - 16:00	Course-Glaucoma in young patients 15:00 - 16:00	Course-Ocular surface and adnexa 15:00 - 16:00	
15:15							
15:30							
15:45							
16:00		15-MIN BREAK					
16:15		Course-GlaucOMICS 16:15 - 17:15	Course : Trabeculectomy techniques and rescue operations 16:15 - 17:15	Course- Next generation imaging and functional testing 16:15 - 17:15	Course-Secondary glaucomas 16:15 - 17:15	Course - New techniques on the horizon 16:15 - 17:15	
16:30							
16:45							
17:00							
17:15		15-MIN BREAK					
17:30		Sponsored afternoon symposium 17:30 - 18:30	Sponsored afternoon symposium 17:30 - 18:30	Sponsored afternoon symposium 17:30 - 18:30	Sponsored afternoon symposium 17:30 - 18:30	Sponsored afternoon symposium 17:30 - 18:30	
17:45							
18:00							
18:15							

Update: 21 November, 2024

Note: The Program is subject to change. This PDF version may not reflect real-time updates in the program. We recommend checking the interactive PAAG on the congress website for latest information and details of the sessions.

World Glaucoma Congress, Honolulu, Hawaii - Friday, June 27, 2025							
Location Time	Exhibit Hall	Ballroom	311	315	312	313A	
07:00			Sponsored Breakfast Symposium 07:00-08:00	Sponsored Breakfast Symposium 07:00-08:00	Sponsored Breakfast Symposium 07:00-08:00	Sponsored Breakfast Symposium 07:00-08:00	
07:15							
07:30							
07:45							
08:00	Exhibition Poster Film Festival Rapid Fire Catering 8.00-17.30	Plenary Symposium - Increasing conventional outflow in unconventional ways 08:00 - 09:30					
08:15							
08:30							
08:45							
09:00							
09:15							
09:30			COFFEE BREAK (09:30-10:00)				
09:45			Exhibition				
10:00			Parallel Symposiums - Evolving treatment paradigms for primary angle closure disease 08:30 - 10:00	Parallel Symposiums - What factors besides conventional IOP lowering should i discuss with my patient 10:00 - 11:30	Parallel Symposiums - Real world outcomes of Glaucoma Care 10:00 - 11:30		
10:15							
10:30							
10:45							
11:00							
11:15							
11:30				15-MIN BREAK			
11:45			Sponsored Lunch Symposium 11:45-12:45				
12:00							
12:15							
12:30							
12:45							
13:00				Parallel Symposiums-Case based conversations: Decision making in glaucoma surgery 13:00 - 14:30	Parallel Symposiums- AI : Genuine transformation or overblown hype 13:00 - 14:30	Parallel Symposiums- The Polygenic risk score : Clinical utility of the new major glaucoma risk factor 13:00 - 14:30	Parallel Symposiums-the beautiful basics 13:00 - 14:30
13:15							
13:30							
13:45							
14:00							
14:15							
14:30			COFFEE BREAK (14:30-15:00)				
14:45			Exhibition				
15:00		Course-how can we help glaucoma patients with 15:00 - 16:00	Course-translating RCT results into daily clinical practice 15:00 - 16:00	Course-Management of Neovascular Glaucoma 15:00 - 16:00	Course-Novel perimetry techniques 15:00 - 16:00	Course : Incorporating genetics in pediatric glaucoma management 15:00 - 16:00	
15:15							
15:30							
15:45							
16:00			15-MIN BREAK				
16:15		Course-Normal tension glaucoma 16:15 - 17:15	Course-exfoliation and pigment glaucoma 16:15 - 17:15	Course-Gene Therapy for Glaucoma: The next frontier 16:15 - 17:15	Course-Glaucoma clinical treatment 16:15 - 17:15	Course - High Myopia & Glaucoma 16:15 - 17:15	
16:30							
16:45							
17:00							
17:15			15-MIN BREAK				
17:30				Sponsored afternoon Symposium 17:30-18:30	Sponsored afternoon Symposium 17:30-18:30		
17:45							
18:00							
18:15							
18:30			Congress Dinner Hilton Hawaiian Village Waikiki Beach Resort				
18:45							
19:00							
19:15							
19:30							
19:45							
20:00							
20:15							
20:30							
20:45							
21:00							

Update: 21 November, 2024
